**Herpetozoa** is the international peer-reviewed open access journal of the Austrian Herpetological Society (ÖGH, Österreichische Gesellschaft für Herpetologie). Herpetozoa publishes original research articles, short contributions and reviews covering all aspects of the study of amphibians and reptiles. This journal provides open access to its content under the conditions of the Creative Commons Attribution License (CC BY 4.0), which permits unrestricted use, distribution, and reproduction in any medium, provided the original author and source are credited.

The illustration on the front cover is based on a photograph by Kai Kolodziej.
